24 February 1960

MEMORANDUM FOR THE RECORD

SUBJECT : OXCART - Navy Facilities Funding

25X1 1. On 17 February [redacted] of Pratt and Whitney advised that the Navy P & W facilities contract expires on 30 June 1960. Further, that in view of the moratorium on the contract between the time the Navy cancelled its J-58 program and OXCART's revival of the program, long lead time facilities items would not be deliverable until after 30 June. For this reason, the Navy BAR was holding up action on P & W facilities requests.

25X1 2. [redacted] advised that Commander Jennings, BAR at P & W, endorsed P & W's request to the Navy to extend the facilities contract, but no action had been taken on the request.

25X1 3. On 18 February Commander Holcomb was advised of the foregoing problem. On 24 February Holcomb advised that Commander Jennings was being notified to process P & W facilities requests. Further, that the Navy would extend the facilities contract. [redacted] was informed of the above on 24 February.
